Lehman Brothers Holding Inc., Chapter 11 Case No. 08-13555
Claim 48795
Internal Control Number 31373

Dear Madam
Dear Sir

We represent Dr. Volker Rusch, Jutenbühl, 6083 Hasliberg Reuti, Switzerland. Our client has a claim (#48795) against Lehman Brothers Holding Inc., at al. Our client was surprised when he was informed on February 4th, 2013 that a company called IAMEX in Germany (IAMEX B.V., Königsallee 61, 40215 Düsseldorf, Germany) had transferred my client's claim on her own behalf. In the name of our client we object to this transaction. We ask the honourable court to retransfer the claim to our client.

Any transfer act, statement etc. by IAMEX was not agreed on by our client. Furthermore IAMEX put herself in the position of a transferee. Any transfer to IAMEX will be considered as unlawful under the provisions of civil and penal law.

May I ask you to confirm that our client is owner of the above mentioned claim? If there is any requirement for our client to sustain the claim or to substantiate the claim please notify us so that we can act correctly on behalf of our client.

Thank you in advance.

Best regards
